

**2018 ISS (Int'l Schumpeter Society) Conference in Seoul**  
**Call for Papers**

Dear colleagues,

The biennial conference of the International Schumpeter Society will be held in 2018 in Seoul, Korea. Under the theme of innovation, catch-up, and sustainable development, it will be held on campus of Seoul National University for the three days of July 2-4, 2018; It will start from the morning of July 2 Monday to end by the early afternoon of July 4 with the Schumpeter Prize dinner on July 3.

We invite you to submit abstract of your papers to be considered for presentation at the conference. The conference will bring together scholars, policy makers and practitioners, including graduate students, working on broad issues related to innovation from a variety of perspectives. It also aims to foster an interdisciplinary exchange of knowledge. Our homepage is [www.iss2018seoul.com](http://www.iss2018seoul.com)  
Please find a call for papers and specific instructions for submissions here  
(<https://easychair.org/conferences/?conf=iss2018>).

The Conference is open to submissions that deal with theoretical, methodological, empirical, and policy issues with Innovation, Catch-up, and Sustainable Development. We would like to encourage submissions especially in the following priority areas:

1. Innovation systems and Innovation Policy
2. Micro- and Macro-economics of Innovation
3. Long term economic development and Sustainability
4. Agent based models of macro and micro aspects of innovation
5. On Complexity Economics
6. Innovation and entrepreneurship
7. Science, Technology and Society
8. Heterodox approaches compatible with Neo-Schumpeterian economics
9. Economics of Catch-up by the latecomers and emerging economies
10. Issues in Asian economies: China, Korea, Japan, Taiwan, etc.
11. Comparative and International analysis of economic growth around the world

In addition, we encourage researchers to suggest proposals for special or parallel sessions on diverse topics of contemporary interest and to coordinate paper submissions for these sessions.

**IMPORTANT DATES (Tentative)**

Submissions will be open from September 15, 2017 to February 28, 2018.

Information about acceptance/rejection by March 31 or earlier (on requests)

Early bird registration: April 30, 2018.
