	Institutions, Industrialization and Productivity (2)	Colonization and Development	Korea in Comparative Perspectives	
18:00 - 20:00	Dinner			

September 4th (Sunday)

City Tour: Bukchon Village, Changdeokgung Palace, Huwon Garden (optional)

Session Organization

September 2nd

Conference Venue: Hoam Faculty House

Session I: 11:00 - 12:30

I-1: Agriculture and Economic Growth (1)

Duol Kim	Economics, Myongji University	Collectivization and Agricultural Productivity in North Korea, 1953-1960
Hye Seung Wee	Korea Development Institute	
Roser Alvarez Klee*	Economic History, University of Barcelona	Searching for a last forgotten famine in contemporary China. The impact of the 1975 flood disaster
Qiang Chen	School of Economics, Shandong University	Measuring the Effects of Decollectivization on China's Agricultural Growth: A Panel Instrumental Approach
Shengmin Sun	Center for Economic Research, Shandong University	

I-2: Money and Market Integration (1)

Hanhui Guan	Department of Economics, Peking University	Denationalization of Money: A Research Based on China's Experience at Western Han Dynasty, 175 B.C. – 144 B.C.
Bokai Chen	National School of Development, Peking University	
David S. Jacks	Simon Fraser University	Silver Points, Silver Flows, and the Measure of Chinese Financial Integration
Se Yan	Guanghua School of Management, Peking University	
Liuyan Zhao	Department of Finance, Peking University	
Stephen Morgan	Chinese Economic History, University of Nottingham	Assessing market (dis)integration in early modern China and Europe

I-3: By-Employment

Osamu Saito	Hitotsubashi University	Towards a comparative study of by-employment
Sebastian Keibek	University of Cambridge	By-employments in early-modern England: re-interpreting the evidence
M. Erdem Kabadayi	Department of History, Koc University	By-employment and structural change in the late Ottoman economy

I-4: Public Finance and Public Goods

Martin Uebele	University of Groningen	Size and structure of disaster relief when state capacity is limited: China's 1823 flood
Ni Yuping	Tsinghua University	
Yasin Arslantas*	Department of Economic History, London School of Economics	Analysing Behaviour in Confiscation by the Ruler: Internal Dynamics, Persistence and Abolition of Ottoman Müsadere, 1770s-1839
Rinchan Ali Mirza*	Economic and Social History, University of Oxford	Minorities and Public Goods Provision: Evidence from Pakistan through Partition

Session II: 14:00 - 15:30

II-1: Agriculture and Economic Growth (2)

Sunjin Kim	KDI School	Social Capital and Agricultural Productivity
Montserrat López Jerez	Lund University	The Two Rice Economies in Vietnam: Measuring Extraction and Inequality in Colonial Times
Taejong Kim	KDI School	Reforestation in South Korea and Its Consequences
Min Young Seo*	KDI School	
SaangJoon Baak	Waseda University	
Jaehyun Yoon*	Waseda University	

II-2: Money and Market Integration (2)

Sevket Pamuk	Economics and Economic History, Bogazici University	Monetary Stability in Europe in Historical Perspective: 1300-1914
Chicheng Ma	Shandong University	Political Connections and the Rise and Fall of Traditional Banks in Qing China
Wentian Diao*	Shandong University	
Jinyan Hu	Shandong University	
Debin Ma	London School of Economics	Institutional Change and Monetary Integration: Silver Exchange between Shanghai and Tianjin in 1885-1930
Liuyan Zhao	Department of Finance, Peking University	

II-3: By-Employment

Michael Pammer	Johannes Kepler University, Linz	By-employment in pre-World War I Austria-Hungary
Tokihiko Settsu	Musashi University	Long-term perspective on by-employment, sectoral labour productivity and economic growth in Japan: 1600-1940

II-4: Institutions and Political Economy

Jung-Kyoo Choi	School of Economics and Trade, Kyungpook National University	The Neolithic agricultural revolution
Samuel Bowles	Santa Fe Institute	
Florian Ploeckl	University of Adelaide	Democracy and Trade links: A simulation based historical case study
Rui Pedro Esteves	University of Oxford	

Session III: 16:00 - 17:30

III-1: Agriculture and Economic Growth (3)

Mattia Fochesato	Social Science, New York University Abu Dhabi	Was Late Medieval Middle East Malthusian? Land tenure, labor organization and plagues in Egypt and Syria
Montserrat López Jerez	Lund University	Too little land for too many people? A study into the causes of stagnation in Java and Tonkin
Jea Hwan Hong	Korea Institute for National Unification	Fruits of Liberation: Land Redistribution and Agricultural Productivity in Korea, 1940-1960
Duol Kim	Economics, Myongji University	

III-2: Money and Market Integration (3)

Laura Panza	University of Melbourne	The evolution of Ottoman-European market linkages, 1469-1914: evidence from dynamic factor models
Yong Song	University of Melbourne	
Zhuo Li	University of Melbourne	
Jiong Gong	University of International Business and Economics	Market Integration in China: 1821–1911
Zhihong Chen	University of International Business and Economics	
Qingbin Liu	University of International Business and Economics	
Hongjun Zhao	Economics and Development, Business School, Shanghai Normal University	Who Affects the Rise and Fall of Capital City Location in China during the Past Thousand Years?
Hu Yumei*	Fudan University	
Xue Meng	UCLA	

III-3: Development of Human Capital

Yu Hao	School of Economics, Peking University	Friends from Afar: Migration, Cultural Proximity and Primary Schooling in the Lower Yangzi, 1850-1949
Melanie Meng Xue	UCLA Anderson School of Management	
Taejong Kim	KDI School	Role Model Effects of Female Leadership Training in Korea's Saemaul Undong on Girls' Education
Min Young Seo	KDI School	
Pei Gao	London School of Economics and Political Science	Risen from Chaos: What Drove the Spread of Public Education in the early 20th century China

September 3rd

Conference Venue: College of Social Sciences (Building #16)

Session IV: 11:00 - 12:30

IV-1: War, Famine, and Its Legacy		
Baomin Dong	Economics, Henan University	The Impact of the First Sino-Japanese War Indemnity: Transfer Problem Reexamined
Yibei Guo*	Economics, Henan University	
Nan Li	Department of Economic History, Shanghai University of Finance and Economics	Legacy of War: The Long-term Effect of Taiping Rebellion on Economic Development in Modern China
Ayça Akarçay Gürbüz	Economics Department, Galatasaray University	The impact of demographic engineering and wartime calamities on agricultural production from late Ottoman to early Republican Turkey
Nurhan Davutyan	Department of International Trade and Finance, Kadir Has University	
Sezgin Polat	Economics Department, Galatasaray University	
IV-2: Great Divergence and Convergence (1)		
Stephen Broadberry	Economic History, Nuffield College, University of Oxford	When and How did the Great Divergence Begin?
Chiaki Moriguchi	Institute of Economic Research, Hitotsubashi University	Geopolitics and Asia’s Little Divergence: State Building in China and Japan After 1850
Mark Koyama	Department of Economics, George Mason University	
Tuan-Hwee Sng	Department of Economics, National University of Singapore	
Christopher Paik	Department of Political Science, New York University Abu Dhabi	Legacy of Colonial Expansion on Governance Institutions and Economic Development: Evidence from Monthons in Thailand
Jessica Vechbanyongratana	Economics, Chulalongkorn University	
IV-3: Family, Ethnicity, and Business		
Ning Gong(公子寧)	Economic History Institute of Economics, Tsinghua University	Why Overseas Chinese Achieved Success in the Pilipino Economy(1834-1942)
Jae-won Sun	Pyeongtaek University	Is Long-term Service the Unique Performance in Japan? Evidence from British the Hudson’s Bay Company in Canada, 1880-1930
Sumiyo Nishizaki*	Economic History Department, London School of Economics and Political Science	Knowledge dissemination via an in-house training: A case of the South Manchuria Railway company (SMR) in the Japanese empire, which employees carried their skills back to post-war Japan
IV-4: Globalization and Trade		
Christopher M. Meissner	Economics at the University of California, Davis	Globalization, Growth, and the Gains from Trade: A New View From Meiji Era Japan
John Tang	Australian National University	
Cong Liu	Shanghai University of Finance and Economics	The World War I Trade Shock and Its Impact on the Chinese Economy
Thanyaporn Chankrajang	Economics, Chulalongkorn University	The Unequal Effects of the Great Depression on Rural Households in Siam, 1930 - 1934: Crisis Transmission through International Rice Trade

Session V: 14:00 - 15:30

V-1: Institutions, Industrialization and Productivity (1)

Sevket Pamuk	Economics and Economic History, Bogazici University	The Role of Institutions in Industrialization: Turkey since 1929
Bishnupriya Gupta	Department of Economic, University of Warwick	Does Geography Determine Industrialization? Evidence from India
Paola Giuliano	UCLA	
Nico Voigtlaender	UCLA	
Pierre van der Eng	Australian National University	When Did Indonesia De-Industrialise? Long-Term Trends in Industrialisation, 1870-2015

V-2: Great Divergence and Convergence (2)

Zhao Yuheng*	Peking University	The Afterglow of the Empire - A discussion on great divergence from labor division and trade inside China
Ying Bai	Department of Economics, The Chinese University of Hong Kong	Opium, Silver, and the Decline of Late Imperial China, 1789-1910
James Kai-sing Kung	The Hong Kong University of Science and Technology	
Giovanni Zanalda	Duke University	From Periphery to the Centre: The Development of South Korea and the Role of the World Bank

V-3: Fertility and Labor Supply

Heejin Park	Kyungpook National University	The Age at First Marriage of Korean Men and Women Since the 12th Century
Sun Go	Chung-Ang University	
Yi Taek Park	Korea University	Regional Patterns of Fertility Transition in Korea
Chiaki Moriguchi	Institute of Economic Research, Hitotsubashi University	Child Adoption in Korea and Japan: A Comparative Historical Analysis, 1950-2010
Eunhwa Kang	Department of Health Science, Saitama Prefectural University	

VI-1: Institutions, Industrialization and Productivity (2)

Kyoji Fukao	Institute of Economic Research, Hitotsubashi University	Revisiting Meiji Japan's economic miracle: The structural and regional dimensions of productivity growth (1874-1909)
Jean-Pascal Bassino	University of Lyon	
Tokihiko Settsu	Musashi University	
Svante Prado	University of Gothenburg	Japan/Sweden comparative productivity in manufacturing, 1890–2010
Yoshihiro Sato	European Institute of Japanese Studies, Stockholm School of Economics	
Ye Ma*	University of Groningen	Measuring China's performance in manufacturing: A 1910s purchasing power parity comparison between regional China and the UK
Herman de Jong	University of Groningen	
Yi Xu	Guangxi Normal University	

VI-2: Colonization and Development

Jessica Vechbanyongratana	Economics, Chulalongkorn University	Canals and Orchards: The Impact of Transportation Network Expansion on Agricultural Productivity in 19th Century Bangkok
Thanyaporn Chankrajang	Economics, Chulalongkorn University	
Kazuhei Saito*	Kyushu University	Workings of the Cargo Vessels in Kyushu Region of Japan and the Distribution of Products in the Tokugawa Period: A Case Study on the Cargo Vessels of Ishimoto
Kostadis Papaioannou*	Wageningen University	Climate, Poverty and Crime in colonial South and South East Asia

VI-3: Korea in Comparative Perspectives

Nak Nyeon Kim	Dongguk University	The Origins of the East Asian Incongruities in the Maddison Project Database
Ki-Joo Park	Sungshin Women's University	
Chaisung Lim	Rikkyo University	The Relative Total Factor Productivity and Profit Rate Estimates of East Asian Railways in the First Half of the 20th century: Japan, Taiwan, Korea, and Manchuria
Sun Go	Chung-Ang University	Two Paths to Universal Public Schooling in Japanese Colonies: A Comparative Analysis of Korea and Taiwan
Ki-Joo Park	Sungshin Women's University	

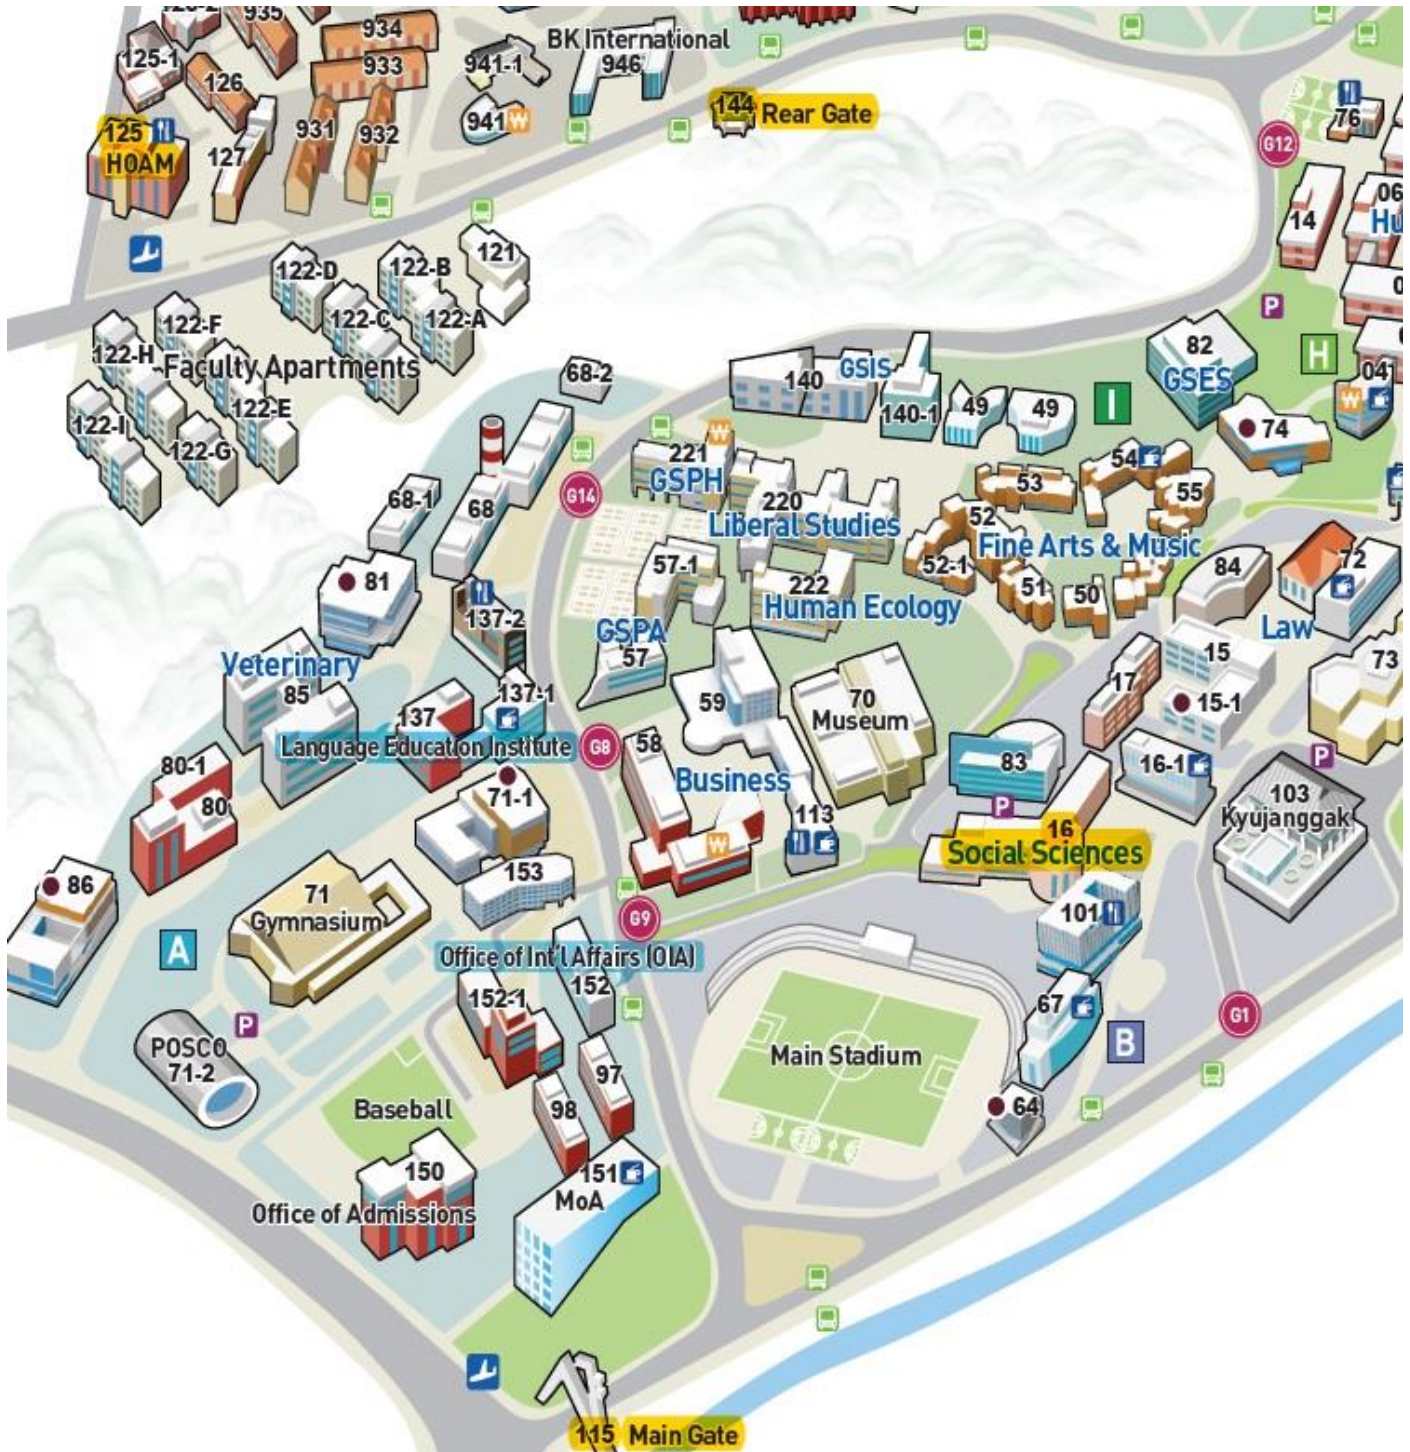

*: PhD student

Location

A. Hoam Faculty House(125) is the conference venue on Sept. 2nd as well as the accommodation facilities.

B. College of Social Sciences(16) is the conference venue on Sept. 3rd.

C. The main gate(115) & the rear gate(144) are also highlighted.

City Tour

Outline of the Tour

08:00	Leave Hoam Faculty House
09:00	Visit the <i>traditional Korean village at Bukchon</i>
10:30	Visit <i>Changdeokgung Palace</i> and <i>Huwon Garden</i>
13:00	Lunch
14:00	Leave for Incheon Airport (expected arrival time: 15:00)

A. The participation fee is 40 dollars and you can pay for it on site.

B. In case it rains, we are going to visit *Dongdaemun Design Plaza* instead.

C. If you are not staying at Hoam Faculty House, but still want to join the tour, you can come directly to Bukchon by 9:00 am.
